## PARENT'S EVENING

Again a brilliant turn out at our parent's evening this week. **80%** of our children were represented by a parent or carer. We hope you found these meetings with your child's class teacher informative and helped you to understand what your child is doing well in, their progress and achievement and what they need to do in order to improve.

## THE KILN HAS ARRIVED!

Good news, the kiln has now arrived in school and is working. Thank you to everyone who helped raise money through our money making events in school. We will be starting to use this very soon to support our clay skills and projects within school.

## YEAR 2 and YEAR 6 PARENTS - IMPORTANT MEETINGS

Next half term on Tuesday 26<sup>th</sup> February there are two very important meetings for parents going on in school. One is for Year 2 parents and will be in the Year 2 classroom and the other is for Year 6 parents and will be in the Year 6 classroom. These meetings explain the important assessments your child will be taking in the summer term. The meetings will explain how we thoroughly prepare the children, what they will be assessed on and how these assessments are carried out. There will also be an opportunity for you to look at the type and level of assessments your child will take part in and will give you the chance to ask any

questions. **A reminder to Year 6 parents - Your child will be taking their very important End of Key Stage 2 tests during the week beginning 13<sup>th</sup> May 2013 - Please do not make any appointments during this week - Thank you.**

## REMINDER - ZUMBA HAS STARTED

Zumba is now every **Tuesday between 5:00 and 6:00** in the school hall. The cost is at the bargain price of **£1**. The session is planned and delivered by Mrs Louise Harrison who is one of our Higher Level Teaching Assistants. Please come along and join in with staff and other parents. This is an excellent way to burn off calories and get fit for the summer. The session is for adults only. Sorry we had to cancel this week but due to the snow we had no option.
