WEATHER CONDITIONS

Thank you to everyone who has made the extra effort this week to get their child to school especially on Monday when the weather was at its worse. It is now very icy so please, please take care when walking to and from school. Unfortunately clubs had to be cancelled after school and I hope not too much inconvenience was caused. Clubs are planned to be back to normal next week unless weather conditions deteriorate. We will keep you fully informed if they are cancelled.

READING EGGS, PHONICS BUG AND MATHLETICS

Please encourage your child to use these web-sites at home if you have Internet access. School pays every year for these web-sites to be used in school and out of school. The work set on these are personalised to your child and the work has been set by their teacher. Your child's teacher also checks how often your child is using the web-sites and what progress they are making. There are morning clubs before school from 8:30 where the children can go on these web-sites. If you would like your child to attend please speak to Mr Roberts, our Learning Mentor.,

COMMUNICATING HOME - e-mailing letters - REMINDER

We are trying to cut the amount of paper being sent home. If you would like us to e-mail you newsletters and general school letters please complete the slip at the bottom of this newsletter and return into school This will reduce the costing on photocopying and paper and the money saved can then be spent on other items and resources to support your child's education.

Thank you for all your support, Mrs Maxine Beresford (Head teacher)
