RED NOSE DAY

Thank you to all the children and staff who came dressed up today to raise money for Red Nose Day. We will let you know how much we have raised next week.

SCHOOL CHOIR - ROCHDALE MUSIC FESTIVAL

The school choir represented the school at the Rochdale Music Festival yesterday at the Town Hall in Rochdale. They sang brilliantly and their behaviour was fantastic. Well done to our choir!

BISHOP MARK VISITED US THIS WEEK

On Thursday Bishop Mark visited St Margaret's. He led the assembly for the children which was very interesting as he talked all about his role as a Bishop. Following this he had a tour of the school by two Year 6 prefects. Bishop Mark was presented with a photograph of himself with our children and a framed Creation Photograph taken by our Year 6 children.

GAS MAINS WORKS

We have been informed today that there are going to be some major works taking place on Heys Lane from Saturday up until the end of March to replace the gas mains. We have been assured that there will still be access for both pedestrians and cars; however this will cause significant disruption at the start and end of the day. To keep congestion to a minimum could you please park your car safely and legally on the surrounding streets and walk to school.

PARKING AT START AND END OF THE SCHOOL DAY

The children have asked again that I put this once more into the newsletter this week. They are very concerned at the number of adults who are parking illegally on the yellow lines and on the pavements at the start and end of the school day. They are very worried that this could cause an accident and somebody could get hurt. **Please can I also remind parents that Heady Hill Close is a private road and driveways should not be blocked. Also the church driveway must not be blocked as access is needed.**

Thank you for all your support,

Mrs Maxine Beresford (Head teacher)
