Term ends at close of school on

Thur 17 July

GOVERNMENT PUPIL HOLIDAY REGULATIONS:

It is our school policy that only 5 school days holiday are usually permitted in any one school year and **only then if unavoidable**. Such holidays are not expected to be a normal arrangement.

If you must take a holiday in term time, you will need to write to the headteacher at the school, explaining why this is necessary. **Before making the decision to authorise these absences the headteacher will also take into account previous attendance history.** This is in line with the school attendance policy.

Any illness or holidays taken in term time will mean your child's attendance figures will drop. This may trigger intervention by the Education Welfare Service, if the overall attendance figure drops below acceptable limits.

We strive to ensure all children attend school on time for at least 96% of the school year, more if possible.

List distributed 01/2013
