

We reading at St Margaret's

Dear Parents and Carers,

At St Margaret's we love reading and we want to share our love of reading with you!! There are many different ways that we can do this and we would like to tell you some of our favourite:

- * Reading our reading book - we all have a National Curriculum levelled reading book that we bring home and we love reading to you every night and talking about what we have read. We also like to see you commenting on our reading in our Reading Records.
- * Reading Bug - we are all set up on Reading Bug and we have e-books in our book bags. We love reading these books with you.
- * Reading Eggs and Eggspress - we are all also set up on Reading Eggs and we really enjoy reading books and playing games to help us to improve our comprehension.
- * Reading Party - last term we had a fantastic Reading Party where we got the chance to spend the reading stickers that we had earned on great things such as hot dogs, face painting, games and much more. We are having another Reading Party soon and we need your help to earn more stickers. All you have to do is listen to me read and sign my Reading Record!!!!

These are only a few of the ways that we  reading at St Margaret's but we really need your help to make them successful and to help us to become the best readers that we can be!!

from all of the children at St Margaret's x x
